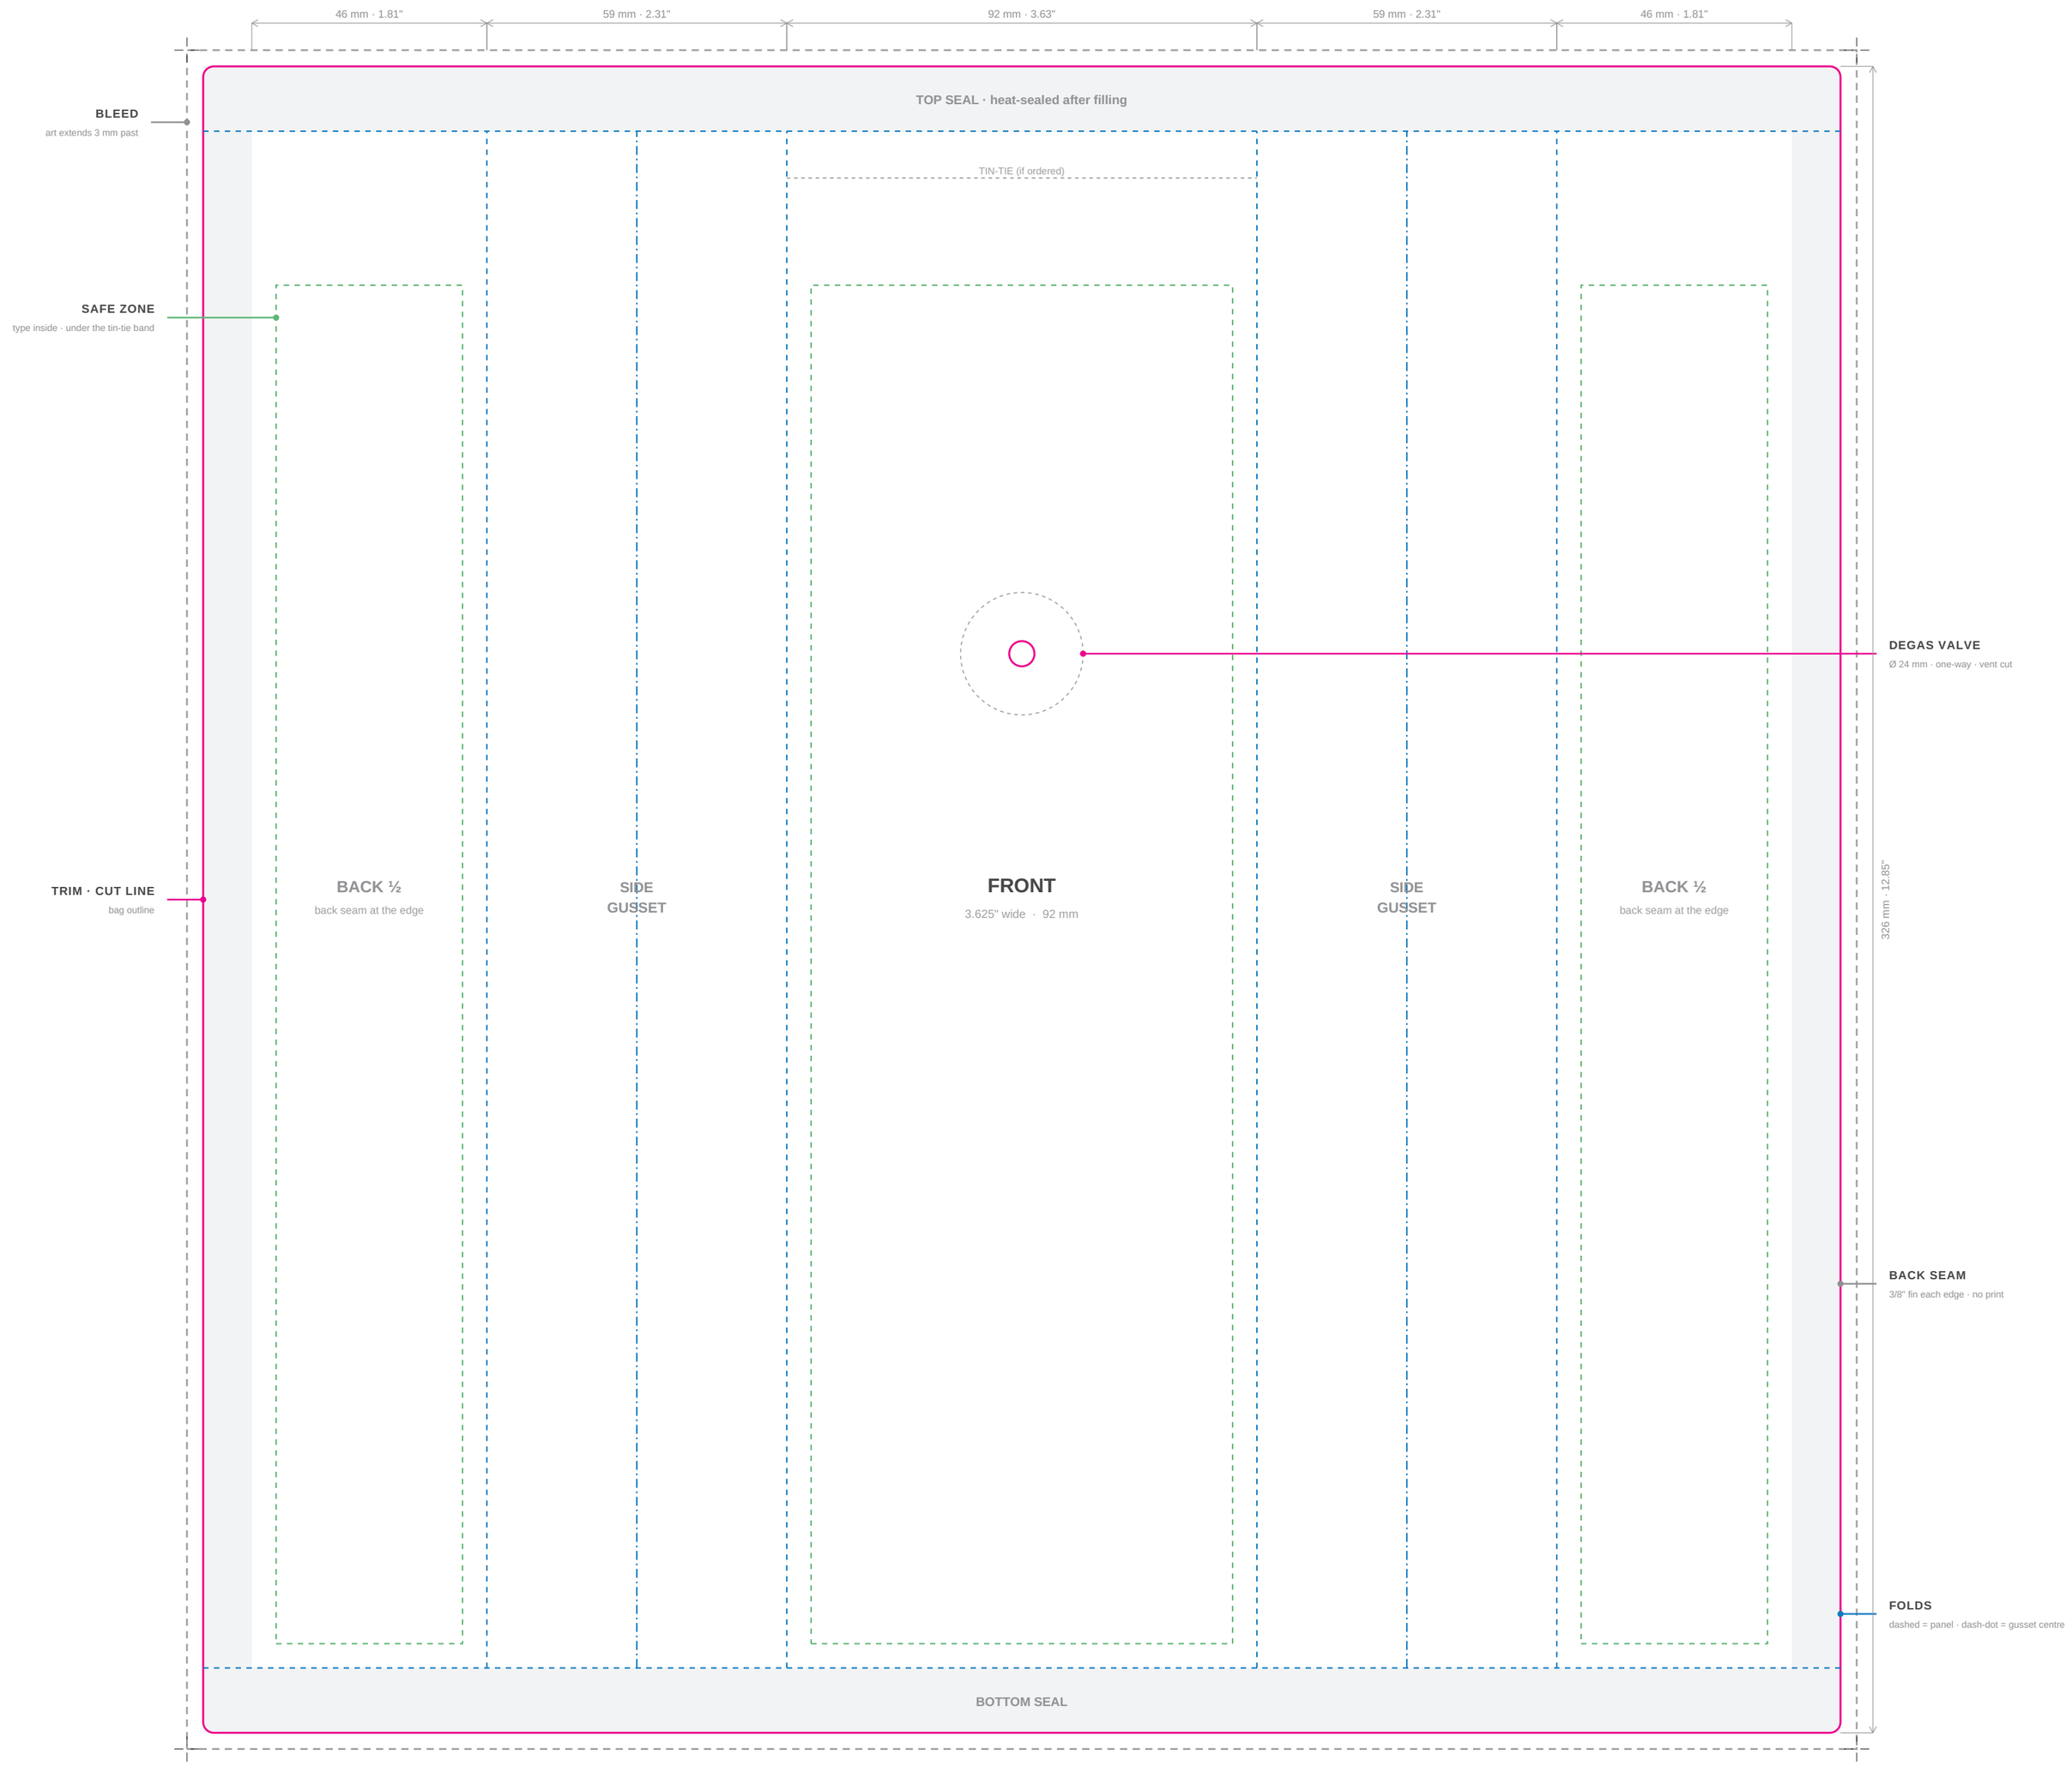
P.O. # _____
VERSION _____



HOW TO USE

Complete the PROJECT block above, then design the FRONT.
Back = two halves, joined by the fin seam at the web's edges.
Gussets fold in (bellows): keep art off the folds.
Magenta = cut · blue = fold · gray = seal (no print).

FILE PREP · COLOUR

CMYK only — no RGB.
Rich black C60 M40 Y40 K100 (large solids only).
Small text: solid 100% K.
Max total ink (TAC) 300% · PDF/X-4 or layered AI.

FILE PREP · TYPE & ART

Vector preferred · raster 300+ ppi at final size.
Embed or outline all fonts.
Min type 6pt positive / 8pt reversed.
Min line 0.25pt / 0.5pt reversed.

FINISH SWATCHES — fill each area with its matching swatch
